ROHS Statement

Dear Customer,

The RoHS directive 2011/65/EU bans the use of certain substances in new electrical and electronic equipment put on the market from July 1, 2006.

The banned substances are lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBB) or polybrominated diphenyl ethers (PBDE).

We confirm that Jobarco's products are RoHS compliant and do not contain the hazardous materials as described in the above mentioned RoHS directive.

With kind regards,

JOBARCO BV
